

Hi,

SK Driveways and Landscapes – we are a local landscaping company covering all areas of Blackpool, Fylde and Wyre. Our landscaping team have years of experience in all areas of landscaping.

Our knowledge and dedication to landscaping make us an excellent choice for your next landscaping project. We offer all of our clients a very personal service at an affordable price.

From initial ideas and design, you can depend on us to transform your driveway or garden space bringing your vision to life.

Any Queries, please contact me on,

**07391 674 676**

Thanks, Ste

**Chris**

Chris has worked with us for 12 months and jumped straight into organising logistics for each job. When everything arrives on time, its down to this guy!  
Rain or shine, Chris is always up for any task.

**Ste**

With over 8 years experience, I Have been in over 150 gardens and met so many lovely people/families. I'll be your first contact to talk you through and design your new driveway/garden. Love this job! Look forward to speaking to you.

**Sascha**

Sash, again with us for 12 months, Motivated in every job, always asking questions and learning the trade very quickly.  
If you see him without a shovel its because somebody else is using it. Another reliable member of our team!
